Chapter 3

Passion: A Passionate Mom must be passionate about her child.

1. Has your passionate love for your children ever left you feeling a bit overwhelmed or fearful about their present or future challenges?
2. Passion for parenting can be drained away by the trials and tribulations of the job. Have you ever, or are you currently walking through a season of low passion or fatigue in this area?
3. Nehemiah used his passion to pursue what he was called to do with hope. Does your passion for your children push you to action in the same way? Are you able to approach the challenges with faith?
4. Have you ever watched a mom become derailed or blinded by unchecked passion for her kids? How can we moms avoid going “off the deep end” or acting unwisely when compelled by passion?
