Chapter 7

Purpose: A Passionate Mom knows the reason for her existence as a parent and is determined to fulfill it.

1. If you were, as Nehemiah was, standing before the king and asked, "What is it you want?" what would your response be?
2. Many successful businesses have a strong "core ideology," or purpose beyond just making money. Does your family have a similar purpose that is greater than simply getting through the week?
3. How can simplifying your purpose to a brief statement to help you to focus your efforts and figure out the specifics of your parenting plan from day to day?
4. Have you ever met someone who had lots of passion, but no clear purpose? How effective were they?
